

**“Inspiring people and communities through leadership qualifications in sport.”**

**Sports Leaders UK** changes lives: - every year over 200,000 people take our range of Qualifications and Awards. We use sport as a vehicle for people to learn transferable skills such as leadership, communication, organisation and motivation. Using these skills, Sports Leaders grow in confidence and self-belief and are better able to achieve their potential.

Sports Leaders UK is a Charity and Awarding Body which works independently of government funding, self generating an annual turnover of over £4m. It has 80 staff based throughout the UK, with half at its HQ in Milton Keynes. Key objectives at this time are to safeguard our existing candidate base, reach even more of the most disadvantaged communities and add new sources of sustainable income.

For an informal discussion about these opportunities, contact Linda Plowright, CEO on 01908 689183. Full details and an application pack are available at [www.sportsleaders.org](http://www.sportsleaders.org), or contact Margaret Dougherty, HR Manager, on 01908 689203 or at [mdougherty@sportsleaders.org](mailto:mdougherty@sportsleaders.org)
