

Introduction

Step into Sport targeted 14 - 19 year olds by providing a simple framework of co-ordinated opportunities at a local level, to enable young people to begin and sustain an involvement in leadership and volunteering in sport.

As part of Step into Sport, Sports Leaders UK offered courses between 2008/11 to secondary schools and community organisations. For example:

- A group of candidates from a marginalised/deprived community.
- A group of candidates with learning difficulties.
- A group of candidates who do not normally have the opportunity to access a leadership course.
- A group of candidates on alternative education due to behavioural issues.
- A group of candidates with truancy issues.
- A single sex group of candidates.
- Candidates with low self confidence.
- A group of disadvantaged candidates.

Sports Leaders UK has taken this opportunity to engage with key strategic partners, such as StreetGames, Football League Trust, Positive Futures and local authorities to give disadvantaged young people access to sports leadership awards and qualifications. This table highlights the impact of the Awards and Qualifications on young people, and helps to share good practice in counties throughout England.
