Nationally Recognised Leadership  
Qualifications for Young People

**Sports  
Leaders**

# Our vision is for every young person to realise their potential.

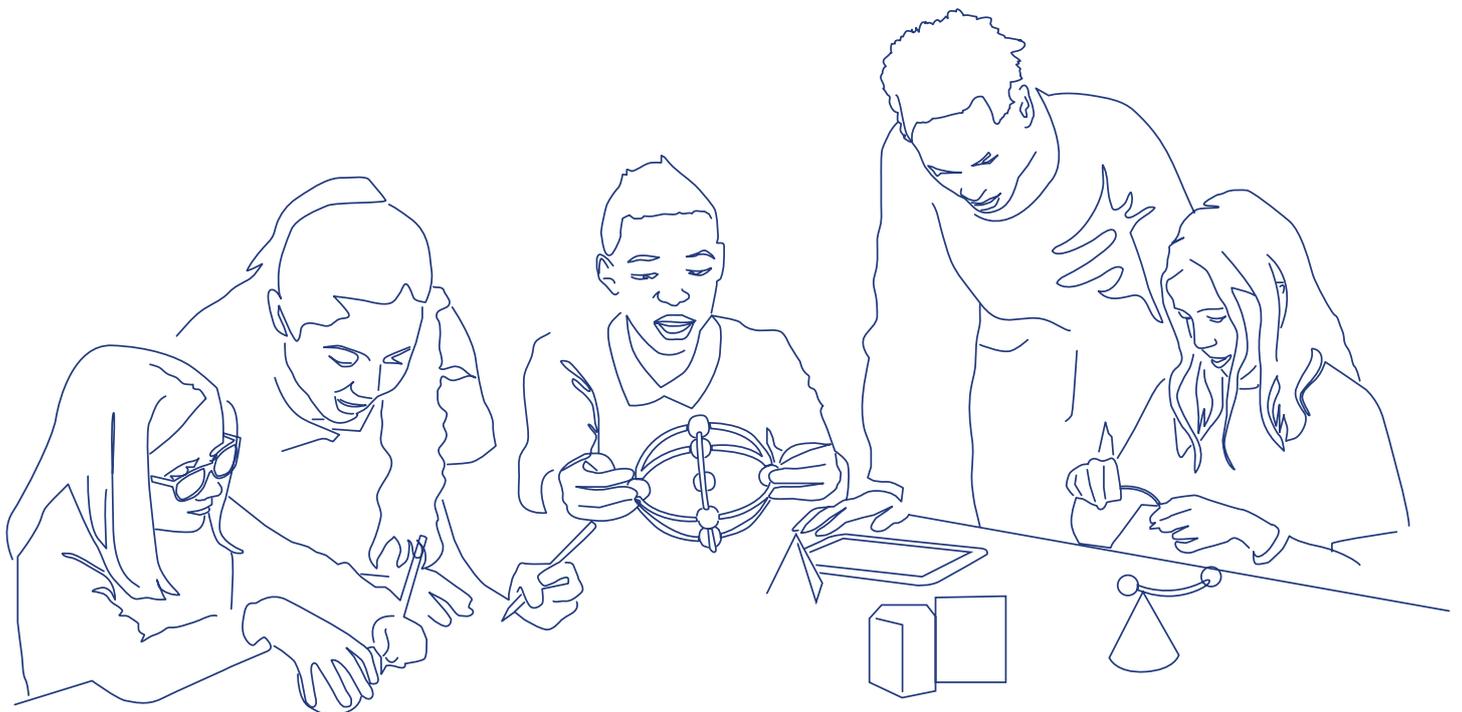

**Providing your learners with the skills and responsibility to lead high quality activities and events to their peers and communities creates the potential to activate an engaged workforce of leaders and volunteers, ready to act as positive role models to future generations.**

Taking a leadership Qualification with SLQ offers learners the opportunity to not only gain new skills, but also improve their progress, attainment and engagement in other areas of their education and development. So far, our Awards and Qualifications have developed vital leadership and employability skills in over 1.5 million young people, helping them to achieve their potential and maximise their abilities.

Awards and Qualifications from SLQ have been designed to develop 5 key skills in learners that have been identified as in-demand by employers: Communication, Teamwork, Self-Belief, Problem-Solving and Self-Management. These skills can be delivered across a variety of mediums, including Sport, Dance and Lowland Expedition as well as through the core-curricular subjects of Maths, English and Science.

By developing these skills through the reinforcement of positive behaviours, our range of nationally recognised Qualifications and Awards can be adapted to different education settings and community environments, making them perfectly adaptable to fit alongside or in addition to education curriculums.

**As our Qualifications are regulated and nationally recognised, schools, colleges and community organisations can use a range of financing models to fund their delivery. This could include departmental and examination budgets and external funding or alternatively learner contributions in some cases.**

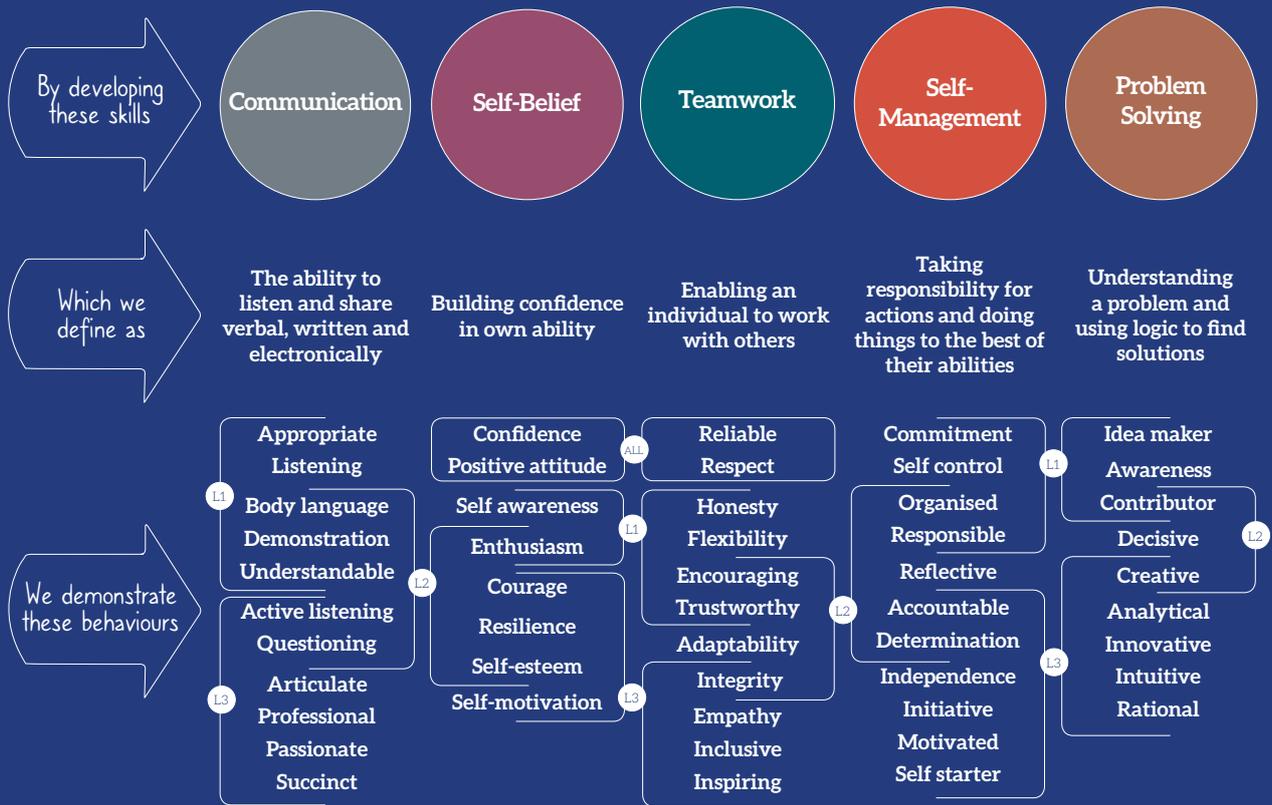

# The Skills Framework

We want young people to recognise the personal development of their own skills and behaviours through our Qualifications and Awards.

Our Skills Framework developed alongside Youth Employment UK, is embedded across all of our Qualifications. It recognises 5 key skills that Youth Employment UK research has shown employers value and are often lacking in young people when entering the workplace: Communication, Self-Belief, Teamwork, Self-Management and Problem Solving.

These skills and the behaviours associated with demonstrating them are mapped in to our Qualifications and Awards and therefore we can confidently say that taking a leadership Qualification with SLQ not only develops these skills and behaviours, but also provides an opportunity for learners to review and reflect on their own development throughout and after the course as they progress to their next destination.

## Our Skills Framework helps young people to realise their potential:

(L1) Level 1 Behaviours (L2) Level 2 Behaviours (L3) Level 3 Behaviours (ALL) All Levels

# A Bespoke Leadership Pathway in Your Organisation

Nationally recognised Awards and Qualifications from SLQ are more flexible and easier to deliver than ever before, developing key skills across a variety of areas including Sport, Dance, Lowland Expedition as well as core-curricular subjects. By focusing on the key skills and behaviours that have been identified by employers as being in demand, your organisation and learners have huge potential to develop and achieve their best.

Designed to work efficiently and effectively for everyone involved, our Qualifications require up to 33% less tutor time than in the past, providing you with the additional time to deliver a pathway of Awards and Qualifications to more learners than ever before.

## What do organisations get from our qualifications?

- A cohort of students with a nationally recognised Qualification who are able to lead and assist in the delivery of activity-related sessions
- A ready-made, easy to deliver leadership framework which enables students to deliver structured and inclusive sessions
- Extensive tutor resources that help tutors deliver engaging and educational sessions to aid student progression and attainment (Nearly 70% of Headteachers believed their school's academic attainment was raised due to delivering a leadership Qualification)
- Session plans including "What makes a good leader?", "How to effectively work in a team" and "How to become a good leader"
- Sessions are comprised of a mixture of discussion, exploration practical & peer to peer learning delivered through easy to use PowerPoint resource
- An increase in student social and academic confidence
- More employable students due to increased skills, improved CVs and the qualification mapping into a recognised employment skills framework
- Section 96 approved qualifications - public funding can be used for young people under 19 years old (England only)

## What do we offer?

Sports Leadership Level 1, 2 & 3

Dance Leadership Level 1 & 2

Lowland Expedition Level 2 & 3

Leadership Skills Programme (through Maths, English & Science) Level 2

Professional Learning Qualifications  
Primary Leaders licence

Further Education packages

## We have created over 1 million leaders through our qualifications; this is what they had to say about us:

**68%** of learners believe their qualification improved attainment in other subjects

**98%** improved their communication skills

**96%** learnt to work in a team

**94%** believed they were more employable

**78%** said it helped get their first job

**87%** inspired to get more people engaged

**83%** wanted to do more in the community

# Our Year In Numbers:

2018/19

We have provided opportunities for

**108,830 young people**

**(53% Female / 47% Male)**

to develop their skills and gain a leadership Qualification or Award.

We have worked with

**1,770 Centres &  
1,718 Leadership Tutors**

to run **2,435 registered courses** across the UK delivering a range of new & improved leadership qualifications.

We have delivered  
**2.25M hours**  
of learning

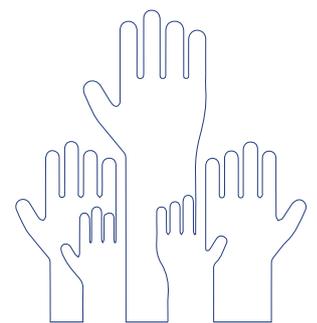

Through our Tutor Training programme we have delivered

**8,049 hours**

of Professional CPD.

We have facilitated over

**1.1M hours** of  
youth volunteering  
and social action!

In total we have facilitated over  
**3.3 Million hours**

of practically applied learning and volunteering!

# The impact on our learners:

"I feel I now have more confidence within myself and my abilities. I can now direct and lead others more successfully and clearly, meaning that I can engage with many parts of society and can help people in multiple aspects of life."

Emma, Edinburgh

"I achieved what I wanted to achieve as I have grown and become a lot more comfortable with my character and learned to embrace negatives and turn them into strengths of my character with reflection and hard-work."

Harry, Matlock

"It's really important to be able to communicate with everybody. I have developed all my communications skills (verbal and non verbal) and I have learnt to adapt these skills to specific situations; be it with hard of hearing students who struggle to speak and also to young children."

Thomas, Middlesbrough

"The biggest challenge I had to face was my confidence. Despite externally coming across a very sociable and vibrant leader, internally I was always apprehensive. This course has helped me realise that not every session goes perfectly, it's just how you learn to adapt and work with it."

Olivia, Bournemouth

"I believe that I have developed massively as a person and that all the things I wanted to achieve, I achieved and greater. Being able to work alongside others was one of my favourite things, and it made me realise the importance of teamwork."

Maidah, London

---

Through our **#SkillsFramework**, all of our Qualifications equip young people with the key skills that they need and employers value:

Communication

Teamwork

Self-Belief

Problem Solving

Self-Management

## Sports Leaders also offer a variety of accredited awards to help up-skill your workforce.

Our non-regulated awards do not require Tutor Training and are therefore perfect for organisations looking to gain the benefits of leadership without achieving a regulated qualification.

Go Lead gives young people an introduction to leadership and the skills to lead basic activity sessions under direct supervision. Perfect for NCS delivery!

A personal development and leadership programme, specifically designed for women and girls aged 14 and over to help improve confidence and communication.

A fun, practical course for learners aged 13 and over that can be completed in a classroom, on the sports field or as an after-school activity.

The perfect introduction to life long leadership skills for young people aged 11 and over to help them maximise their potential in education and beyond.

Sports Leaders work in conjunction with several NGBs to develop sport specific nationally recognised awards.

Teach young people aged 13 and over how to lead others through basic foreign languages activities whilst developing their own skills.
