What we are like to work with.

“United Learning have worked closely with SLQ to develop the leadership strand of our PE and Health curriculum. In doing so they have provided support in designing Fit to Lead bronze, silver and gold awards as well as the resources to support their delivery.

“At every stage of the process, SLQ have been excellent partners: they have communicated effectively; met all deadlines and produced high quality resources, videos and webinars to support teachers delivering the awards. They are clearly the leading experts in the field of leadership and we are honoured to have worked with them on these awards.”

United Learning

“The Lord’s Taverners have collaborated with SLQ on a bespoke Young Leaders Award in Table Cricket; a completely new concept for us as a charity.

“We have continually been impressed with the level of involvement and support given to us. We have been expertly guided through the whole process and had regular meetings, calls and group training to help us produce a well-rounded, skills based curriculum and accompanying resources which will suit all abilities.

“We would highly recommend working with SLQ.”
