Introducing the Extraordinary Specification for 2020/21

Note: This Extraordinary Amended Specification has been introduced in response to the Covid-19 crisis to ensure that the qualification's assessments can be delivered by Centres and remain accessible to learners.

In summary - delivery of the SLQ Sports Leaders during the academic year 2020-21 includes the following adaptations:

<p>Definition of community</p>	<p>During these unprecedented times the definition of community has evolved. For the purpose of sports leadership community is defined as:</p> <ul style="list-style-type: none"> • Education provider • Social bubble • Home environment • Social media/digital environment <p>When a learner is asked to deliver an activity within their community this can be done for any of the above.</p>
<p>Demonstration of leadership</p>	<ul style="list-style-type: none"> • 1 hour of sports leadership sessions as part of Unit 2
<p>Responsibility of leading safe sessions as a Sports Leader</p>	<p>A Level 4 Sports Leader during training is required to be supported and guided at all times by their tutor/assessor or person in charge of the organisation they are leading in.</p> <p>The responsible person will be required to advise the learner on risk assessments and the interventions required to put in place in line with the organisation's Covid-19 safety guidance.</p> <p>Once qualified the Sports Leader will be able to assist in leading sports/physical activity sessions under direct supervision.</p>
<p>Covid-19 Learner Support Challenges</p>	<p>SLQ Sports Leaders have developed a series of Covid-19 Learner Support Challenges as identified below. These are available to access as part of home learning or within face to face sessions.</p> <p>The aim of these challenges is to support the Sports Leader to deliver safely during these challenging times. They will guide the learner to recognise the skills that are being developed and guide them to implement them effectively in the ever changing environment.</p> <p>The sessions aim to support the delivery of the qualification through these extraordinary times and support the learner with understanding how they can lead sessions safely during the Covid-19 crisis. The support challenges are referenced throughout the tutor resources and the Learner Resources as 'Power Up Opportunities'.</p>

Supporting learners to develop their skills

SLQ Sports Leaders will support the delivery of this qualification through four new, learner facing, 'Covid-19 Support Challenges', these are included in your learner registration fees. The resources can either be issued to learners to complete during their tutor time or they can be given as sessions to be completed at home. Each session should take about an hour to complete.

The challenges are designed to be delivered alongside the qualification delivery to give support and understanding of the current circumstances for leading activities. It will also give additional ideas to learners about how they might need to adapt to the needs of the Covid-19 crisis environment.

The four challenges are:

- 1) Valuing Learning Challenge – Re-engaging with learning and your community
- 2) Skills for Progression Challenge – The personal skills you need to progress
- 3) Believe in Yourself Challenge – Building confidence to succeed
- 4) Safety Awareness Challenge – Assist in leading activities safely

These challenges are referenced as 'Power Up' opportunities in the Tutor Resources and in the Learner Evidence Record.
