QUALIFICATIONS IN SPORTS LEADERSHIP

Our Sports Leadership Qualifications are our most popular, using sport and physical activity to help young people develop and hone their leadership skills whilst helping themselves and others stay physically active.

With specific adaptations made to our courses for 2020/21, our Sports Leadership Qualifications can easily be delivered in a Covid-19-friendly way, helping to build young peoples' skills, confidence and resilience at a time when they will need it most.

Develop confident, employable leaders through sport and physical activity

Qualifications in Sports Leadership

Our range of formally recognised leadership qualifications, designed with today's education landscape and the latest government guidance around Covid-19 in mind, are the perfect way to empower your students with the leadership skills they need in order to recover from disruptions or challenges and thrive in the future.

Your students will learn and hone their skills in communication & leadership and boost their confidence to become more employable and help lead others. In doing so your organisation will benefit from creating a cohort of young leaders who can be role models for other students and improve your organisation's standing in the local community.

Independent research showed 70% of head teachers believed delivering leadership qualifications improved attainment in other subjects.

What do organisations get from our qualifications?

- A cohort of students with a formally recognised qualification who are able to lead and assist in the delivery of sport and physical activity sessions
- A ready made, easy to deliver leadership framework, enabling students to deliver structured and inclusive sport and physical activity sessions in a Covid-19-friendly way
- Learner Support Challenges designed to develop skills and help students re-engage with education and learning after Covid-19
- Extensive tutor resources that help tutors deliver engaging and educational sessions to aid student progression
- Session plans including "What makes a good leader?", "How to effectively work in a team" and "How to become a good leader?"
- Sessions can be tutored through face to face or home learning and are comprised of a mixture of discussion, exploration and practically applied learning
- An increase in student social and academic confidence
- More employable students due to increased skills and improved CVs
- Opportunities for peer-to-peer learning

We have a range of qualifications that use sport as a basis to learn valuable leadership skills suitable for all ages and abilities.
