# Qualifications in Dance Leadership

**Many young people develop a passion for dance at a young age, but there is a significant drop off in participation at secondary school and in community engagement – either due to other commitments, finance or provision within schools and community organisations.**

Our Dance Leadership Qualifications have been designed with today's education landscape in mind to help young people return to more consistent learning structures and maximise their passion for dance, gaining life changing skills, experiences and nationally recognised qualifications in the process.

With physical inactivity being particularly apparent amongst teenage girls, our Level 1 & 2 Dance Leadership Qualifications are the perfect vehicle to not only engage inactive learners, but also give them the platform to develop vital leadership skills and improve their confidence.

Your Dance Leaders can also become advocates for leadership and help engage their peers and younger learners. They will also have the skills necessary to help run dance clubs throughout your organisation and their community to help others become more physically active and engaged.

**We have a range of qualifications which use dance as a basis to learn valuable leadership skills suitable for all abilities.**

**Level 1** Qualification in Dance Leadership

**Level 2** Qualification in Dance Leadership

**96%** learnt to work in a team

**94%** believed they were more employable

**78%** said it helped get their first job

**87%** inspired to get more people engaged

## What's the next steps?

Our Development Team will work with you to learn your specific requirements and understand how Leadership Qualifications can benefit your learners. Your personal relationship manager will build you a cost-effective package that suits your needs as well as support understanding of how you may fund delivery.

After agreeing the right package for you, we'll support you in setting up as a Centre. You'll need to identify a Centre Course Manager (CCM), Tutor Assessor(s) and Internal Verifier(s). Your CCM will need to attend a short approval webinar and then we'll provide all your team with the training they need to get started - training is free and available to anyone in your Centre.

Once your Centre's team has completed the training, it's over to you (with our help) and you're ready to register your Qualification courses. Find out more about [setting up as a Centre by clicking here](#).
