QUALIFICATIONS IN SPORTS LEADERSHIP

Our Sports Leadership Qualifications are our most popular product, using sport to help young people develop and hone their leadership skills whilst helping themselves and others improve their physical and mental wellbeing.

With specific adaptations having been made to our courses to consider regulations around Covid-19, our Sports Leadership Qualifications can easily be delivered in 2021/22, helping young people build their skills, confidence and resilience at a time when they will need it more than ever.

Develop confident, employable leaders
through sport and physical activity

Qualifications in Sports Leadership

Our range of formally recognised leadership qualifications, designed with today's education landscape and to help young people return to more consistent learning patterns after a prolonged period of turbulence, are the perfect way to empower your learners with the leadership skills they need in order to recover from disruptions or challenges and thrive in the future.

Your learners will develop their abilities in five key skills: Communication, Teamwork, Self-Management, Self-Belief and Problem Solving, boosting their confidence to become more employable through re-connecting with their communities and encouraging others to lead. In doing so, your organisation will benefit from creating a cohort of young leaders who can be role models for other learners and improve your organisation's standing in the local community.

Independent research showed 70% of head teachers believed delivering leadership qualifications improved attainment in other subjects.

What do organisations get from our qualifications?

- Awards and qualifications that support Curriculum for Excellence
- Contributes to Significant Aspects of Learning (SALs)
- SCQF qualifications now sit on the Insight Tool and attract Tariff Points
- Learner Support Challenges developed to complement your learners' qualifications, adding extra opportunities to build and demonstrate their skills
- A cohort of learners with a formally recognised qualification who are able to lead and assist in the delivery of sport and physical activity sessions
- A ready made, easy to deliver leadership framework, enabling learners to deliver structured and inclusive sport and physical activity sessions to their peer and community groups
- Extensive tutor resources that help tutors deliver engaging and educational sessions to aid learner progression
- Session plans including "What makes a good leader?", "How to effectively work in a team" and "How to become a good leader?"
- Sessions are comprised of a mixture of discussion, exploration and practical learning, delivered through easy to use resources including online learning platforms
- An increase in learner social and academic confidence
- More employable learners due to increased skills and improved CVs
- Opportunities for peer-to-peer learning

What's the next steps?

Our Development Team will work with you to learn your specific requirements and understand how Leadership Qualifications can benefit your learners. Your personal relationship manager will build you a cost-effective package that suits your needs as well as support understanding of how you may fund delivery.

After agreeing the right package for you, we'll support you in setting up as a Centre. You'll need to identify a Centre Course Manager (CCM), Tutor Assessor(s) and Internal Verifier(s). Your CCM will need to attend a short approval webinar and then we'll provide all your team with the training they need to get started - training is free and available to anyone in your Centre.

Once your Centre's team has completed the training, it's over to you (with our help) and you're ready to register your Qualification courses. Find out more about [setting up as a Centre by clicking here](#).

Getting Started
