OFFER: £500 course discount available for the first 12 delegates!

Developed by the Association for Physical Education (afPE) & Sports Leaders UK, these courses are considered an excellent use of Primary PE and Sport Premium funding.

Both are nationally recognised qualifications that aim to upskill primary school teachers, higher level teaching assistants, TAs with experience of working within PE lessons as well as school based sports coaches.

The intended outcome is to improve the overall delivery of the physical education curriculum within primary schools, and use PE as a key driver for whole school improvement. See overleaf for a summary of key course themes covered.
