Professional Vocational Qualifications in Primary Physical Education

Oct 2021 – July 2022

Level 5 Certificate in Primary School Physical Education Specialism

This is a recognised qualification that aims to upskill primary school teachers and higher level teaching assistants to improve the overall delivery of the physical education curriculum within primary schools. On successful completion of this qualification, delegates will be able to assist in raising the standards within primary school physical education teaching and learning.

Level 6 Award in Primary School Physical Education Subject Leadership

This is a recognised qualification to improve the overall leadership and management of the delivery of the physical education curriculum within primary schools. The aim of this qualification is to enable subject leaders to support and upskill other colleagues in teaching the physical education curriculum. On successful completion of this qualification, delegates will be able to advocate, articulate and lead physical education to achieve whole school improvement.

What are these qualifications & why you should undertake them?

The aim of the qualifications is to upskill primary colleagues to be able to assist (Level 5) or lead (Level 6) the delivery of high quality primary school PE. These qualifications are proven, effective use of the Primary PE and Sport Premium funding and are designed to help teachers and primary school staff deliver high quality, sustainable PE as part of the curriculum.
