Level 1 Qualification in Sports Leadership (SL1)

**Sports
Leaders**

Introducing the specification

The Level 1 Qualification in Sports Leadership specification is largely the same as specifications provided in previous years. There are some minor changes to the way that learners perform their observed practical activity and the Tutor/Assessor's assessment of this, but everything else will be familiar to you and your delivery team.

<p>Definition of community</p>	<p>The definition of community has evolved over the past year and remains true for the future. For the purpose of sports leadership community is defined as:</p> <ul style="list-style-type: none"> • Education provider • Social bubble • Home environment • Social media/digital environment • The community local to the learner (e.g. at sports clubs, youth clubs, etc.) <p>When a learner is asked to deliver an activity within their community this can be done for any of the above.</p>
<p>Demonstration of leadership</p>	<p>1 hour of sports leadership sessions as part of Unit 2</p>
<p>Responsibility of leading safe sessions as a Sports Leader</p>	<p>A Level 1 Sports Leader during training is required to be supported and guided at all times by their tutor/assessor or person in charge of the organisation they are leading in.</p> <p>The responsible person will be required to advise the learner on risk assessments and the interventions required to put in place in line with the organisation's safety guidance.</p> <p>Once qualified the Sports Leader will be able to assist in leading sports/physical activities under direct supervision.</p>
<p>Learner Support Challenges</p>	<p>The aim of these challenges is to support the Sports Leader to deliver safe and inclusive sport/physical activity sessions. They will guide the learner to recognise the skills that are being developed and guide them to implement them effectively in an ever changing environment.</p> <p>These are learner facing resources and are available to access, as part of your registration fees, as part of home learning or within face to face sessions.</p> <p>The six challenges for to support your delivery of this qualification are:</p> <ol style="list-style-type: none"> 1) Valuing Learning Challenge – Engaging with learning and your community 2) Skills for Progression Challenge – The personal skills you need to progress 3) Believe in Yourself Challenge – Building confidence to succeed 4) Safety Awareness Challenge – Assist in leading activities safely <p>The support challenges are referenced throughout the tutor resources and the Learner Evidence Records as 'Power Up Opportunities'.</p>
