Introducing the Specification for 2022/23

Following two years of temporary adaptations to the specifications in 2020/21, the specification has been reviewed to be more relevant to the challenges that SCQF Level 6 Sports Leaders are likely to face. The qualification aligns with professional standards for sport and physical activity leadership, especially through the focus on leading inclusive sessions to participants.

For the purpose of sports leadership community is defined as:</p> <ul style="list-style-type: none"> • Education provider • Social bubble • Home environment • Social media/digital environment • The community local to the learner (e.g. at sports clubs, youth clubs, etc.) <p>When a learner is asked to deliver an activity within their community this can be done for any of the above.</p>
<p>Demonstration of leadership</p>	<p>14 hours in total:</p> <ul style="list-style-type: none"> • 2 hours of event leadership • 12 hours of sports/physical activity session leadership to a range of participant groups
<p>Responsibility of leading safe sessions as a Sports Leader</p>	<p>A SCQF Level 6 Sports Leader during training is required to be supported and guided at all times by their Tutor/Assessor or person in charge of the organisation they are leading in.</p> <p>The responsible person will be required to advise the Sports Leader on risk assessments and the interventions required to put in place in line with the organisation's safeguarding and safety guidance.</p> <p>Once qualified the Sports Leader will be able to independently lead (once 18 years old) and will be responsible for all safeguarding and safety aspects in the future as a certificated SCQF Level 6 Sports Leader.</p>
<p>A greater focus on inclusion</p>	<p>Give your Centre and your learners the flexibility to tailor your delivery to:</p> <ul style="list-style-type: none"> • Align with the needs of participant groups in your Centre and/or community • Focus on the parts of society that are most important to you and your learners (e.g. this could be creating activities for women and girls, improving the range of provision in your community, leading activities to older people, etc.)
<p>Possible participant groups for this qualification</p>	<ul style="list-style-type: none"> • Children • Older people • Disabled people • Women and girls • Minority ethnic groups • Deaf people • Any other group in your community

Learner Support Challenges

The seven challenges for to support your delivery of this qualification are:

- 1) Valuing Learning Challenge - Engaging with learning and your community
- 2) Skills for Progression Challenge - The personal skills you need to progress
- 3) Believe in Yourself Challenge - Building confidence to succeed
- 4) Safety First Challenge - Leading activities safely
- 5) Adapting Activities Challenge - Developing activities for a changing environment
